

7. Brief resume of key persons, specialists, and individual consultants anticipated for this project.

DAVID TOMLIN
FIELD TECHNICIAN, PROJECT
INSPECTOR, QUALITY CONTROL FULL
TIME INSPECTOR

Project Assignment: Field Technician, Project Inspector, Quality Control Full Time Inspector

Education: High School Graduate
United States Navy – Electronics Technician

Years Experience With This Firm: 5 **With Other Firms: 32**

BASIS OF TEAM SELECTION

- Field Technician, Project Inspector, Full Time Quality control Inspector

Mr. Tomlin started working in the roofing business at age 14 and has worked for several of the roofing contractors in the geographic area of Richmond VA. Mr Tomlin has worked as a laborer installing shingles, metal and slate steep slope roofing systems as well as low slope built-up roofing systems.

Some of the roofing contractors that Mr. Tomlin has been employed with include;

- R.W. Harper & Sons, Richmond, VA
- Richmond Roofing Company, Richmond, VA
- Hermitage Roofing, Richmond, VA
- E.K. Batten & Sons Commercial Roofing, Richmond, VA
- Old Dominion Roofing and Sheet Metal Company, Richmond, VA
- Town & Country Roofing Company, Richmond, VA
- Roof Systems of VA, Richmond, VA

Mr. Tomlin previously worked with the majority of the long term staff at RCS (1988-1992) as a quality control project inspector and field technician. While employed with RCVA, Mr. Tomlin traveled throughout the continental United States performing warranty claim investigations and final / 2 year manufacturer guarantee inspections.

Mr. Tomlin has performed infrared and nuclear roof moisture surveys, visual condition evaluations, assisted with field evaluations for roof replacement design and provided quality control inspection services for numerous projects completed by both RCS and RCVA.
